

Publicity Report for AGM 06 10 2022

I have managed to produce a newsletter almost every week, and the feedback I receive is positive.

Depending on what events are on each week, I sometimes struggle to find content, so I am always happy for people to provide content or point me in the right direction, and photos of Club members at events are always gratefully received.

I cannot always keep track of who is doing what and upcoming events, so I am always happy to receive reminders.

I am also an admin person for the 2 Facebook pages (public and private) and these seem to generate a decent level of interest, and a more immediate response than the newsletter. (There is inevitably sometimes a degree of repetition between the FB pages and the newsletter, but I am conscious that not everyone is on FB.)

I have not had the time to restart the newspaper reports (and the volunteer who was going to take over was unable to, due to other Club commitments), so if there is anyone out there who is willing to produce a weekly/fortnightly report for the Times and Star, and Keswick Reminder please get in touch with me, and I can provide the contact names etc.

Many thanks,

Jane
