

Social Secretary report 2021 – 2022

Sadly, another year affected by Covid 19, although it has picked up recently. Our January social and annual prize giving had to be postponed yet again.

We held a very successful social in July in Loweswater Village Hall following the Parish relays. This was attended by nearly 50 people who all brought delicious food to share. The Juniors also provided mouth-watering desserts and raised £90 for their funds. Awards were also presented for the winners of all the series in 2021 as well as the Winter 2022 series. Traditional Club annual awards for 2021 were also presented by the Club Chair, Scott Ashworth.

The upcoming Pie and Pea supper in October is also promising to be an exciting event with a good attendance of nearly 50 people. Following a relay event at Derwent Hill, we will be holding a Pie and Pea supper as well as the AGM in Portinscale Village Hall. Pies will be baked by Lindsay's butchers in Cockermouth.

Plans for 2023 are already being made and suggestions to the Committee are always welcome – ideas so far include a Ceilidh band.
