

FIXTURES SECRETARY & ACCESS REPORT 2025/26

Thanks to those who have contributed to making our events happen, particularly organisers, planners, controllers, access officers and our club development officers.

Our ability to continue to provide regular orienteering depends entirely on members willing to do these jobs and everyone else involved in putting on our events.

Overall it has been another active year for the club with 53 events. 1154 competitors ran the highly successful day 2 of the Lakes 5 day. The Thursday evening events have been popular with similar numbers to previous years in the winter, spring and summer series. Particularly high numbers have competed at the Rocket League events. We put on 3 Cumbrian Galoppens and 3 other events (Festive/fund raising, Club Chase and Quid Games). We also put on a very popular maze at the Keswick Mountain Festival (Quid Games was also part of the festival).

The following table summarises our fixtures and participation for the period 1/9/2025 to 31/8/2026.
