

Compass Sport Cup

The Compass Sport Cup is the only national club competition for the whole club. We need 25 scoring runners across all the classes and the way the scoring system works means all our runners can have an important part to play even beginners. The final this year will be held at Cannock chase so not too far to travel.

NW Heat – Clowbridge (nr Burnley) – Sunday 11th March - We are planning to take a coach and it is the ideal time for new members to meet other runners from the club.

Details of the NW heat here: <http://www.seloc.org.uk/wp/event/clowbridge-compass-sport-cup-heat/>

Entry deadline: **25th Feb**

Entry fees: £10 seniors, £5 juniors

JK relays

The JK relays (Monday 2nd April) will be held at Beaudesert in the Cannock chase. Beaudesert is a forested area with streams and marshes, and intricate contouring and the famous bell-pits (deep holes with raised edges) proliferating.

British Champs

The British Championships relays are in Royal Deeside, close to Ballater (Sunday 20th May). The area is Torphantrick (or Inchmarnoch).

This is a fantastic moraine area with some of the best contour detail in Deeside. The forest has been thinned over the years (on-going) and now offers a mixture of fast high visibility forest and slower thicker areas providing a major challenge to hold together the technique needed to spike all controls cleanly.
