1<sup>st</sup> checkpoint: Long and Short: Sheepfold NY 1692 2382  
Avoid the Ladyside Pike to Hopegill Head ridge in snow or ice. There are other rocky and steep places which are hazardous in winter conditions. Look out for Mountain Bikes in the forest.

#### WE DON'T KNOW YOU'RE OUT THERE

#### YOU ARE RESPONSIBLE FOR YOUR OWN SAFETY

We've planned it on the OS 1:25,000 NW sheet - or take a map that that is bounded by grid lines 16 (W), 21 (E), 27 (N), and 21 (S) (the short course won't go north of grid line 25)

### Club Night & Club Chase

These events are being planned for mid January. Further details will appear when confirmed. The Club Chase will be in Buttermere on a newly mapped extension to an existing map - thanks to Pete Nelson.

The Club Night (Jan 12) will include a Barn Dance (always good fun) and food. There will also be a presentation of various awards. The Club Chase (Jan 13), for those new to the club, is a chasing start colour coded event, with a start time allocated to you (by the statistician - who can't be bribed!!). The start time is worked out so that you will finish at Noon, if all goes to plan and you run to form. You will need to book a place for a map.
