

West Cumberland Orienteering Club

Week 37

9 September 2013

Upcoming Fixtures....

THIS WEEK **Thur 12 September, Harris park, Cockermouth.** The second of the park series. Street parking close to Harris Park. Short courses with fast racing! Courses, long & short with 15min winning times. Cost is £3/£1.50. Starts are from 6pm. See website for details.

NEXT WEEK **Thur 19 September, Mirehouse, Bassenthwaite.** The third of the park series. Fast racing on the shores of Bass Lake! Courses, long & short with 15min winning times. Cost is £3/£1.50. Starts are from 6pm. See website for details.

SPOOK-O

Looking forward to Thursday, 31st October and the Spook-O to be held in Whinlatter Forest. This is our annual fun event with control sites carefully decorated and made as spooky as possible. Do you want to have a go this year? Jeff Goodwin is co-ordinating the operation! Please reply to this email and we can book you a site.

Mountain Bike O Events. Two events are being planned for Grizedale and Whinlatter Forests over the weekend 28/29 September. Three courses available, planned in normal O style, with a set number of control points to be taken in order. See www.bmbo.org.uk

Club Chase, 12th Jan 2014, Hawse End

The Club Chase is pencilled in for Jan 12, 2014. Usual six colour coded courses with everyone getting a handicap start time to allow for a mass finish at 12 Noon! We had a great run last year on Rannerdale with most people finishing within ten minutes. Would you like to plan the event this time?

Peter Palmer Relays

Three WCOC teams contested the Peter Palmer Relays with the Ennerdale Eagles, Katrina Hemingway, Alastair Thomas, Katie Lowles, Daniel Spencer, Niamh Hunter & Rosie Spencer, Callum Pearson, coming in in fifth place. Harrop Harriers were thirteenth and Heckbarley Hawks were seventeenth. The other WCOC team was the group of adults who managed the weekend and the event for the 170 odd juniors who competed. A brilliant event all round!!

Mapping & remapping

With access to high quality LIDAR and contour detail we can produce very accurate base maps. And with the recent purchase of a GPS unit we can speed up the surveying process enormously. Fancy a go at a new area or bringing an existing map up to the new standard?

Whinlatter Finale 29.8.13

(Selection from results.)

| | | |
|------------|---------------------|-------|
| long | | |
| 1st | Alan Irving | 18:55 |
