The recent change in the weather to the more normal wintry conditions has been a sharp reminder of what we can expect over the next few months. Please check the websites before you set off to an event, particularly if you have far to travel, to check for possible cancellations. Organisers will do their best to make early decisions and to get the information onto the web. Please always come to events prepared for the worst conditions, and at night carry plenty of extra clothing, spare torch and whistle. Exercise care and be prepared for the unexpected!
