

## Upcoming Fixtures....

### **THIS WEEK** Thur 1 January, Sale Fell.

New Year's Day special. A great way to start the New Year. All details on club website.

**Thur 8 January, Leaps Beck.** The first of the 2015 night events. Leaps Beck is open fellside and can be very tricky in dark and misty conditions. There will be an easy 'Night Hawk' course for those who want less of the navigational dilemmas. Details on the website.

**Sat 10 January, Club Night.** See details on the website. Book your place, and organise your DIY food.

**Sun 11 January, Club Chase.** Scale Hill. Mass finish at mid-day. Book your place.

## Club Chase & Club Night

The Club Chase this year is at Scale Hill, on Sunday 11<sup>th</sup> January, with a revamped (new) map by Pete Nelson, with planning by Kim & Howard Leslie, and handicaps by Alan Irving. Everyone welcome to enter. Just **REPLY TO THIS EMAIL** and say you want a map prepared for you, and say which colour course you want to run. Your start time should give you a finish at mid-day.... if your handicap is right!

The Club Night this year is at Braithwaite near Keswick, at the Braithwaite Institute Hall, Saturday 10<sup>th</sup> January, with Village Green providing the Ceilidh. Always a great social event. Cost is £7 (senior) and £4 (junior). The food and drink is DIY with everyone bringing something for the buffet. Check out the details on the club website and let Catherine Wetherfield know that you are coming and what food you would like to provide.

## Beer Trail now open!

The annual long O event is around the fells on Kinniside this year. Planner Pete Nelson has sorted the courses. The details are on the **club website** with the start from Bleach Green, Ennerdale. Please remember that nobody knows you are doing the course unless YOU tell them! Please carry adequate clothing and other survival kit appropriate for the weather conditions.

## A Night Hawk Course!

The night event series moves up a notch after Xmas with more technical and exposed areas being used. We will be adding a 3-4km easy course (like a long orange) to the mix for those people who would like the experience of running at night without the added burden of finding TD5 controls. Leaps Beck, Threlkeld, Sale Fell, Darling How, Blea Tarn will give an exciting edge to these runs. Have a go!
