### **'Bring A Friend' to an evening event....**

Our club is always looking for ways to encourage new people into the sport and, importantly, into the club. So we would like you to bring a friend along to the Thursday evening events, particularly the Autumn Sprint Series.

Your 'special friend' can be a school mate, neighbour or work colleague and can be new to orienteering or tried it years ago and keen to give it a go again.

The Autumn Series includes the venues, Mirehouse, part of Whitehaven, Derwent Hill, Cockshot Woods (Keswick), Vulcan Park (Workington), Allonby and Friars Crag (Keswick). Great venues for short and fast decision making orienteering.

### **Night Series**

The venues for the Winter Night series are being organised at the moment. Mike Harrison has all the details and would welcome offers of help with the events. Get in early and choose which date/venue you would like. Planning can be so much fun and very rewarding. For the Night Series, plan one event and you get fifteen or so others to compete in!

### **Club Newsletter**

Our editor, Graham Watson, has prepared quite a few editions now, and would very much like to retire! Is there anyone who would like to take on the job? Currently, three issues are being produced each year. This is not fixed in stone and any other format is possible!
