### **Pie & Pea supper on Oct 15, Keswick**

This will be held in 'King Kong' after an urban event. Bookings are being co-ordinated by Catherine Wetherfield. Always a good night!

### **SpookO on October 29**

Great fun for all the family. See Catherine Wetherfield if you have an idea for a 'spooky' site. Volunteers needed to run the control sites.

### **Night Series**

The venues for the first half of the Winter Night series are organised. Orienteering at night really does improve your map reading and navigational skills. The events up to Xmas will have a novice course for juniors, which have proved extremely popular in previous years.

### **Controlling Course**

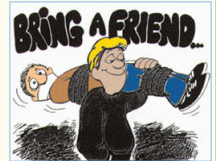

There is a level3 course being planned at the moment. Would you like to gain this qualification and help keep our events up to their high standard?

### **Annual General Meeting (AGM)**

This will be held on October 22 at the Kirkstile Inn. If you would like to offer your services and help to the club's activities, please consider joining the committee. We are a very active club and rely on the input from a large band of volunteers to make it tick.

### **'Bring A Friend' to an evening event....**

Our club is always looking for ways to encourage new people into the sport and, importantly, into the club. So we would like you to bring a friend along to the Thursday evening events. The night events can be so exciting!
