Night Series

The venues for the first half of the Winter Night series are organised. Orienteering at night really does improve your map reading and navigational skills. The events up to Xmas will have a novice course for juniors, which have proved extremely popular in previous years.

The early venues in the series will give the opportunity for relatively straightforward orienteering. A good torch will be needed (there are many excellent head torches on the market).

Event Safety for the next several months!

Winter weather is on its way, and we all need to adjust to carrying adequate clothing to protect ourselves. So, it is back to cagoules, 'lifas', hats, gloves & whistles!

SpookO

This was held at Whinlatter last Thursday. The weather stayed dry and a superb set of spooky sites delighted the very large turnout of youngsters and family groups. Many thanks to the chief 'Witch', Catherine Wetherfield for getting the gang together to dress the various sites. Reports were very complimentary. You may be spurred on to get involved next year... start planning your spooky site!

Whinlatter Galoppen

Many thanks to the White team (plus quite a few other folk!), especially Ange Jackson for organising, Rob Stein for planning and Chris Lates (BL) for controlling. Half term reduced the numbers somewhat, but 150 enjoyed the courses. Great win for Niamh Hunter on Green, and Michael Billinghamurst on Blue, Caitlin Irving on Light Green, and Wilfrid Teasdale on Yellow. There were many other well placed WCOC runners, scoring excellent Galoppen points. Thanks to Pete Nelson for the new update of this part of the Whinlatter Forest map.
