THIS WEEK Thur 17 December, Latrigg

Fell. Long, short and Easy courses available. Cost £3.50/£2 with starts from 6.15 to 7.15pm. You'll need a good torch and adequate clothing for the weather on the night.

Note from the planner: *The event will start from the Gale Road car park. The recent storms have damaged a 50 metre length of the road leading up to the car park, and there are some pretty deep holes. The road is still passable for all vehicles in daylight but people driving cars with little ground clearance may prefer to park below the damaged section and walk the last 750 metres up to the car park. The start of the damaged section will be signed.*

Winter Night Events

The venues for the night events in the New Year will move to more challenging terrain, and of course the weather may also add its own challenge to the conditions. Please come prepared with adequate clothing and the relevant safety gear (whistle, spare torch & bivvy bag). It is also hoped to have an easy course available, the **Night Hawk**, which will be suitable for adult novices. Try finding your way over some rough terrain and find out just how much fun it is!! You will need a good torch!
