The Spring Series

These have now started and return the competition to the daylight. However, dusk soon descends for a few weeks yet, so an early start is a good idea, or if you are a late starter then carry a torch. The format will be shorter courses and a sprint style. The next event will be around Crow Park in Keswick.

Because of the nature of the areas the events will be an ideal opportunity for a 'try-out' of the sport. Bring along a friend, colleague or workmate to have a go.

BOF Membership

The BOF AGM on 25 March at Leeds Uni will decide on membership fees and event levy for 2017. Membership fees are proposed to increase from the current £5 & £2 to £15 & £5, with the levy increasing from £1.25 to £1.35 per equivalent participant.

The current levels were set in 2012 to harmonise a differential between local and full BOF members.

If you wish to evaluate the proposal then have a look at the AGM documents on the BOF website.

There is a proxy voting form for those who can't attend the AGM in person, to be returned to BOF by 23 March. It would be in your interest to vote.
