Keswick Mountain Festival.

Once again orienteering was showcased at this event. Even with many thousands of competitors taking part in the various races and activities our Maze activity was very busy for most of the two days. We had over 800 downloads for the five courses, and many of the juniors (and they were predominately Primary School pupils who took part) did all five courses. Some completed the courses many times

over! Thanks to Steve Birkinshaw for organising the session, and to Mike Pearson for preparing a set of banners to use with the Maze.
