Allerdale Chase

The LongO event was held at the weekend on High Brow and Watermillock (slightly outside Allerdale, but who was noticing!). Thanks to David Spencer and Vanessa Brierley for the planning and for all the organising that goes into the event. It attracted over 100 entries who chose between the 17.5, 12.5, 8 or 4km courses. Results and RouteGadget are available on the club website. We enjoyed a perfect day's weather with some cool breeze and light cloud.

The long course was won by Daniel Spencer, with first lady Karen Parker (BL). The medium course was won by Tamsin Moran (SOC) who has been attending some of our recent evening events, with Derek Ratcliffe (LOC) second. The short was won by Dan Parker, second, Stella Lewsley, both

Karen Parker & Daniel Spencer

BL. The very sort course, won by Peter Hudd, and Benedict Sanderson (NATO) second. A great format and quite a challenge. Look out for the very similar Copeland Chase later in the year.

We will be running in the area east of Crummock water with deep valleys, beautiful views and Wainwrights like Grisedale Pike and Grasmoor.
