

GOOD NEWS!

Great news! WCOC are returning to their regular Thursday orienteering nights beginning with a short series of 4 events in August <http://www.wcoc.co.uk/futureevents>. Club members have been working behind the scenes to make this possible. As everyone will expect, things are going to be a little different.

What to expect:

- There will be no entry on the day. It is important that you book your start block in advance using the following link: wcoc-start.herokuapp.com If you have any issues with entry please contact Steve Holmes - steholmes@gmail.com
- No cash will be collected on the day. Payment can be made once the series has concluded to avoid multiple payments. Payment is via direct bank transfer: Sort Code 01-09-54, Account Number 07602286. Please use a reference with your surname, e.g. BreezeSS2020. The prices for a single event remain the same: £4 Adult, £2 Junior. If you enter the entire series there is a small discount: £15 for adults and £5 for juniors.
- You will still need to register (at a distance) with the organiser and let them know you have returned safely. You will need to confirm to the organiser that you and your household are free of Covid 19 symptoms, and they will make a note of this.
- The events are only open to members of British Orienteering <https://www.britishorienteering.org.uk/join>
- There will be no results on the day – download only, results to appear later on the club website <http://www.wcoc.co.uk/results>
- No dibbers will be available on the day. Members are able to arrange a long term loan form Dave Fenwick davfen44@replace.with.at.yahoo.co.uk
- These events are not intended for beginners as it will not be possible to offer any coaching on the day. There will however, be an easy course for those not yet ready to tackle a technically hard course.
- Social distancing rules apply – we know orienteers know how to use their common sense.

Many thanks must go to those working behind the scenes to get these events up and running.

Other Snippets :

Good to see orienteers from other parts of the country enjoying a WCOC Maprun course.

Well done to GB Orienteer Sasha Chepelin (pictured at Carnethy 5 2019) on a new record, 32 Munros climbed in 23h10m in an anti-clockwise round of the Cairngorms from Invercauld Bridge, beating Jim Mann's previous record in the same area of 30 (Munros in 24 hours record). Additional Munros were Ben Avon and Beinn a'Bhuird.

And finally....anyone think they can beat this on Strava—a real work of art by Darren Parker (CFR)
