

GOOD NEWS!

Well the first post-lockdown event took place at Mawbray this week. It was lovely to see familiar faces and to catch-up, albeit at a distance.

Thanks to team Sunley for organising and planning the first event (quite a responsibility given the circumstances), the WCOC committee for the behind the scenes planning and Steve Holmes for developing such a good entry system. What great team work!

Any ideas? Best ones will be in next week's newsletter!

More News:

Maprun - now that 'normal' Thursday events have resumed Pete Nelson has collated the final league from the Maprun events (below). Well done to all that braved the world of virtual events and many thanks to all those who planned events.

Pete will create a new league for the Aug/Sep events. Thanks Pete.

As far as I know the Maprun courses and maps will remain available on the WCOC website and Maprun app so you can still get out there and enjoy the Maprun routes.

Ennerdale Permanent Courses (thanks to Pete Nelson for this update)

We've been given the go-ahead for gradual reopening of the Ennerdale Permanent courses. They've been closed for forestry work, but we can now do some shorter courses from Bowness Knott. The map needs updating first, and then I'll reinstate the 'short easy' course and create a new 'short technical' course. The longer courses, and the Gillerthwaite based ones, will have to wait a bit longer.

The Bleach Green (west end of Ennerdale) courses remain open. I've removed all the pin punches for COVID protection, as suggested by British Orienteering. The courses are very basic. Maps available from <http://www.wildennerdale.co.uk/activities/#orienteering>

What do you think permanent courses should look like in the future? MapRun has opened up lots of possibilities. My preference would be to have courses on MapRun, but still have permanent markers out as well for younger participants and those without smartphones. Pete

(I am sure Pete would welcome feedback on the future of permanent courses so please contact him with your thoughts/suggestions).
