

Covid News

You will probably all be aware of the tightening of the lockdown rules from today and the new 'rule of six'. Thankfully, there are exceptions for sporting events and the guidance from British Orienteering is that events can continue. Therefore, the current series will run as normal and a winter series is also in the planning stages.

Events' News

Thanks to Simon Woodbury for organising last week's Thursday evening event in Vulcan Park, Workington. There was some fast and furious racing with less than a minute between winner Dan Spencer and Charlie Rennie on the long course and 6 runners within a minute of the winner, Wilf Teasdale, on the short course. Unfortunately, there was the usual issue with the local youths who find it amusing to disrupt things and this time they placed one of the control boxes out of reach—luckily Simon brought his mountain rescue skills to the fore and the box was retrieved, undamaged! Winter series—Request for Planners

The good news is that the committee has agreed to run a more or less normal winter series of Thursday evening events. It's likely that pre-entry, allocated start times and payment by bank transfer will still be required but otherwise everything will be business as usual.

The programme of events is set out below. As usual guidance will be provided and help is available for new and inexperienced planners.

It is also hoped that the Club will be able to organise a monthly Sunday event between now and Christmas, with blue, short green and orange courses. An organiser has already been found for the October event and the Copeland Chase will take place in November so a planner/organiser (it can be the same person) is needed for the December event. Please let Mike Billinghurst know asap if you are willing to plan one of the events.

(Social distancing not too much of a problem on many WCOC areas)

More Event News

Hot on the heels of the selection announcements last week; it is now confirmed that the event has been cancelled. Understandable given that the area where it was due to be held is currently having a spike in infections.

EYOC 2020
Salaótarián HUNGARY

Sadly it was announced this week that the 2021 JK which was due to be held in Devon and Cornwall over the Easter weekend has been CANCELLED,

The organising clubs reported that they had not been able to secure permissions due to the current situation. For anyone who has been exceptionally organised and already has accommodation sorted, it is hoped that some local events will still take place over the weekend.

WCOC in the News—

This week the Club featured in the News section of the BOF website under the headline—'West Cumberland Orienteering Club hold 4th event since ease of lockdown'. It is a testament to the Club's excellent committee and volunteers that events have restarted and have done so with few hitches. The Club has subsequently been asked to contribute to an upcoming BOF webinar aimed at sharing information and assisting other clubs to return to orienteering. Well done to Jon Eaton for an excellent Powerpoint presentation.

New Club Secretary—After many years in the role, Lesley Wornham is standing down as the Club secretary at the upcoming AGM. Thanks to Lesley for her excellent work in the role. She has produced a very helpful summary of what the job entails (below) and anyone who may be willing to take over should contact Lesley asap. As you will all know, the Club wouldn't be here without the help of so many willing volunteers so if you have a bit of free time and are willing to have a go, please get in touch.

Secretary WCOC (role description)

- Book venue, send out agenda and take minutes at 6 committee meetings a year
- Book venue and refreshments, agenda and minutes for annual AGM
- Dealing with general correspondence and replying to email queries or forwarding (very few)
- Send out 95 Christmas cards on behalf of WCOC

←The things you have to do; Simon Woodbury retrieving the control box on Thursday...definitely going above and beyond!

Welcome to another new member—Molly Thomas (W21)
- looking forward to meeting you at the upcoming events.

Kong Mini-Mountain Marathon

For those of you interested in longer O events—the bad news is that Kong have had to cancel their Borrowdale event which was due to take place in October but the good news is that they have replaced it with a Maprun course near Loweswater.
