Results for the BL and LOC events can be found on the Club websites.

AGM—The Club’s AGM was held this week. Reports showed that despite the negative effects of the pandemic membership numbers are up and as a result of impressive team work, the Club was able to restart events as soon as regulations allowed. Thanks were given to Vanessa Brierley (Junior team captain) and Lesley Wornham (secretary) for their many years of work in their respective roles. Janette McKendry is taking over from Vanessa and Paul Tickner has agreed to take on the role of secretary. Steve Breeze remains Chair and Mike Billingham vice-Chair and Herbie Ashworth has taken over as junior rep from Joe Hudd.

Club members were treated to a very interesting presentation (followed by a question and answer session) from Rosie Watson and Mike Elm of the New Story Run and New Story Ride about their journeys so far and some of the people they have met along the way. As most of you will know the aim of the journeys is to tell the story of inspirational, grassroots projects and movements which are working to highlight environmental issues and other causes, with the aim of finding better ways of living, working and meeting our needs in the climate crisis. There is a link below for anyone who would like to watch a recording of the AGM — : <https://us02web.zoom.us/rec/share/SWATieE-EUKWPn3yV09gH-uHN1Yj5IhctG5sJYD7gnINpYtNgwjCePHSZGquCBM.vCeKRnKH1AFSmRk2> Passcode: rJ4r0%uG

Next Event— 1st Winter series event starts 5/11/2020—Slate Fell—entries open shortly.

Copeland Chase—Long-O—Sunday 8th November 2020

Thanks to David Spencer for organising this event (with help from Mike Billinghurst).

Entries are via SiEntries there is no entry on the day. Parking is at Green Head near Caldbeck.

Cost—Senior—£8, Junior—£4, (with £2 supplement for non-BOF members). Hire dibbers are available.
Courses—Long –3 hours, Medium—2 hours, Short—1 hour.
This year's event is a score event. There will be 24 controls, each with a points value of 10 and there is a twist for the 3 hour long course; with runners needing to collect all controls of one colour before switching to the other colour.

It is the first time in recent years for the event to take place in the less-visited fells north of Skiddaw.

Full details can be found on the WCOC website.

More Possible Christmas Ideas—

The WCOC Committee are looking at the possibility of ordering some informal Club clothing such as T-Shirts and/or Hoodies. Please see the message from Jon Eaton and if you would be interested in purchasing such items please let him know. (Info was also shared on the FB page).

We are considering the purchase of casual garments, T-shirts and Hoodies, embroidered with the WCOC logo.

The garments being considered are the Gildan Heavy Cotton T-shirt and the Gildan Heavy Blend Hooded Sweatshirt. Both are available in a wide range of colours, but Royal Blue or Navy would probably be most appropriate.

Prices can be as low as £4.56 per T-shirt if we buy 25, and £13.20 per Hoodie if we buy 10.

Please show your interest here, or message me. If there is enough interest, I will look to arrange an order. Also, comment as to which colour you would prefer (any order could include colours to choice, although a single colour might be more appropriate).

Happy Halloween!
