

Some good news—the resumption of orienteering events following the ending of the Lockdown on 2nd December. This week’s event takes place at Wood Hall, with novice, short and long courses.

Important— the Club are now using a new entry system—racesignup.co.uk so you will need to enter via this system, setting up your profile with BOF number, dibber number etc. Please see the full details on the Club website in the Events section and note that entries close Tuesday 23:59. There is no entry on the night.

Wood Hall provides relatively easy terrain but it will be dark so a good head torch is needed.

Border Liners’ Event—see details below.

Entries are still available but close on 1st December (tomorrow)

Border Liners Orienteering Club

20 November at 18:34 · 🌐

Return to Orienteering.

We are happy to announce that our 50th Birthday event has been given the go ahead by Carlisle City Council Greenspaces team. This was the event that was posted from 31st May and almost caught up in Lockdown 2.0.

Sunday 6th December at Chances Park, Carlisle. And SIEntries is now open.

https://www.sientries.co.uk/event.php?event_id=7770

3 available courses, 2x 50 control events, one short (3.1km), one long (4.8km), that's an average leg length of 62m and 96m respectively, and one Yellow course (1.9km) as well. Map scale is 1:3000, with start blocks between 11:00 and 12:30. £5 senior and £2 junior/student.

n.b. Anyone with an "old-style" dibber that can only "dib" up to 30 controls, don't worry a plan is being worked on so you can complete the full course. More details soon.

Upcoming WCO Events

10/12/2020—Keltonfell

13/12/2020—Threlkeld Knotts

17/12/2020—Scale Hill

Keep an eye on the website for event details, entries etc.

JROS Calendar—In case you have missed it, there are still a few copies of the JROS calendar available—all profits to JROS. It's a bargain at only £8.

Available from compasssport.co.uk in the 'shop' section.

The Outdoor Partnership Cumbria

****BREAKING NEWS****

Our very first club volunteers has booked on to a subsidised first aid course - well done to [West Cumberland Orienteering Club](#) who will benefit from this.

If your club would benefit from training and assessment courses at a highly subsidised rate, please get in touch and join the partnership!

A bit of fun— Spot the Difference -this is one of the puzzle types used in the Orienteering Unlocked competitions—there are 14 differences here. Answers next week!
