

GALOPPEN 2ND MAY

If you haven't got your entry in yet, don't wait too long! Entries via Si Entries and full details are on the WCOC website.

The event has a limit on entries of 200 and there are currently 157 people entered. The more technical courses are especially busy and it is a Bank Holiday weekend so it is expected that the event will be full.

Results (what a treat to actually have some results to report!)

Crag Hills—So just playing catch up from last week, Daniel Spencer and Niamh Hunter took the wins on the long course and Isaac Hunter and Myrtle Ashworth were the winners on the short course. (Results below).

Sale Fell Galoppen 27th June 2021

Following the Galoppen at High Brow, for which we have all the required planning/organising positions filled, our next event is now scheduled for Sale Fell on 27th June 2021.

Volunteers are needed to fill the positions of Planner, Organiser and Controller for the Sale Fell Galoppen. If you are willing to undertake one of these roles, then please get in touch with Jon Eaton (jon.eaton@outlook.com) and Michael (michael@micnet.plus.com).

Fancy a change from foot orienteering, well, why not give it a go on your bike! Tony and Angela Brand-Barker are once again organising the Allerdale Bike Challenge—all the details are below. Pre-entry required!

The 2021 Keswick Bikes Allerdale Bike Challenge is a series of five events. These events are a fun and challenging way of exploring the quieter lanes of Allerdale.

The challenge for each rider or group is to decide how many of the checkpoints on the map they can visit in the two hour time limit.

Series prizes awarded after last event. Your best 3 scores to count.

All the routes will all be on tarmac or cycleways, and will avoid the big climbs of the Lake District.

The events are aimed at riders of all abilities and can be ridden solo, in pairs or small family groups on any style of bicycle.

As there is a time limit and no set route the challenge is as easy or tough as you want it to be, making it equally suitable for hardened cyclists or 'Come and try it' riders. There is a challenge for you!

The rules are simple:
 You must have a road worthy bike and wear cycle helmet.
 There will be twenty five checkpoints all having equal value.
 Checkpoints will be placed on road signs and footpath finger posts.
 You will have a maximum of 2 hours to visit as many checkpoints as possible.
 Only roads and cycleways can be used. Bridleways and footpaths are out of bounds.
 Electronic SI timing system will be used.
