Spring Series...overall results (thanks to Pete Nelson)

There isn't an official league for the Spring events because the series was too short, and some events didn't allow the juniors to run the long course because of road crossings. So the results aren't quite fair, but here they are. Best three to count. Top three on the Long course, Joe Sunley, Daniel Spencer and Alastair Thomas and top three in the women's competition, Niamh Hunter, Caitlin Pearson, and Daisy Rennie.

On the short course, the top three were Isaac Hunter, Sophie Crawford and Eva Humphreys, with the rest of the top six being, Rebecca Crellin, George Rennie and Toby Heppell. The full results can be found on the WCOCC Members' Facebook Page which is open to all Club members and can be accessed via the Link below:

High Brow—Galoppen

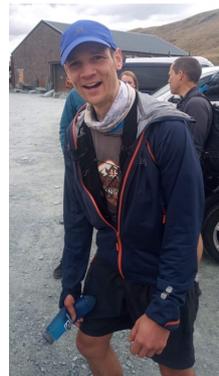

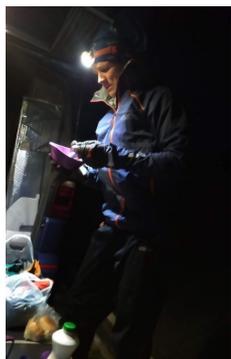

Many thanks to the organiser, Nick Evans; planner, Mike Billingham; the controller Steve Birkinshaw and a great team of helpers for a very enjoyable event at the weekend. Well done for managing the parking headache and for holding the hailstones at bay. There were lots of happy faces!

Results to follow.

Rob Stein—Bob Graham Success!

Another WCOG member has successfully completed the Bob Graham round—Rob Stein left Keswick Moot Hall at 8pm on Friday, returning to his starting point, 21 hours later. Well done Rob—great achievement. (It would be good to collate a WCOG Bob Graham Hall of Fame, so any members out there that have completed the round, please let me know, including the year or years, that you did it and provide a photo, if you have one).
