Tuesday Night Training (TNT) (news from Alex)

It's been great to have some new juniors joining our Tuesday evening junior fitness training. Welcome to Katrina, Richard and Ruth!

Last Tuesday was a gentle recovery run up Slate Fell with some fun running games before our descent. We looked at maps of recent events and talked about the different scales used on them, and what colours are used for different types of features.

Anyone interested in joining please contact Simon Hunter

Thank You from 1st Cockermouth Scouts—Following on from British Orienteering's Volunteers' Week and this week's Coaching Week it was very apt for Steve Breeze to receive the 'thank you' below from the Scouts—well done to everyone involved.

Just writing to thank you for the support WCOG have given us recently. Simon Hunter ran a Zoom session for the scouts, introducing orienteering and building on map and compass work we had been doing with the Scouts
Last week, also with the help of your club members Lynne and Simon. We were able to put on a small event at Powter Howe for our Explorers section and on Friday for our Scouts section. On Feiday we had 26 scouts take part and enjoying themselves. Dan Heppell helped us enormously with and represented WCOG well and did a good job as an explorer too.
Thanks again, it has been appreciated.
Steve Hardy
