

Quick Reminders -

Just a brief newsletter this week as I am off on holiday . The British Sprint Mixed Relay and Individual Sprint Championships took place this weekend in Skelmersdale. It was a very well-organised event and so lovely to enjoy the thrill of the competition again, with Club tents, a run-in and commentary! Several Club members made the journey and there were some good results....more on this next week!

Results for Threlkeld Knott were not up at the time of writing, but thanks to Mike Hind for challenging courses, made all the more challenging by the poor visibility!

A reminder for Ling Fell...please support the junior fundraising by getting your orders in by 23:59 Tuesday. Thanks to those that have already done so.

Treats available after the Ling Fell Event (26/08/2021)

You will remember the regular cake stalls run by junior members of the Club, which were once a common occurrence especially at Galoppens. Unfortunately these activities were curtailed by Covid but now that restrictions have eased, three juniors. Isaac, Myrtle and Daniel have agreed to provide some savoury and sweet treats to raise money for their Lagganlia Training Camp in October half-term. There will be a choice of a sausage or vegan roll, and various cakes . Each item will cost £1 payable on the night. (The correct change would be appreciated). To help with production and to avoid unnecessary gatherings on the night, you are asked to follow the link below where you will be able to add your name and confirm your order. Please note there will not be any teas and coffees so you may want to bring a flask. Thank you in anticipation of your support.
