Reminder - British Night Championships -27th November 2021

Entries are now open for the British Night Championships which will take place on Cleeve Hill in Gloucestershire. Details can be found at ngoc.org.uk

Entries are via Fabian and cheaper entry rates are available until 23:59 on Sunday 14th November. Entries close 23:59 on Monday 22nd November.

Those wanting to make a weekend of it can also enter an event hosted by Bristol Orienteering Klubb, at Cannop Ponds on the Sunday.

British Relay Championships- The combined British relay and Scottish championships took place in Aberfoyle this weekend, and there was plenty of Club interest on the podium. In the Women's Open, Niamh Hunter ran first leg, coming back in first place for the winning team of the EUOC Legendesses, with Rachel Brown 2nd leg and Fiona Bunn 3rd leg, taking the title of British and Scottish champions.

In the Men's Open, Alastair Thomas ran for the team of EUOC Legends 1, (along with Alasdair Pedley and Matthew Gooch), finishing 2nd overall despite running a strong 3rd leg, but given that the winning team was made up of the experienced elite orienteers, Chris Smithard, Graham Gristwood and Alasdair McLeod, it would have been a tall order to take the win.

Tim Watkins Blodslitet 2021 Sunday 14th November

This is a mass start, long distance race which was renamed the Tim Watkins Trophy in memory of Tim who died following a car accident in March 2005. Tim was instrumental in introducing this demanding race to the UK and had organised the first two races. The event originated in Norway, each autumn since 1977, Fredrikstad Skiklubb has staged the original Blodslitet. The nearest literal translation to "Blodslitet" is "Blood letter". During this period it has been raised to an almost cult event, recent years have seen around 2000 competitors from all over Scandinavia and elsewhere. Whilst the Tim Watkins Blodslitet has not grown to this scale it has established a high reputation as a top quality event attracting some top orienteers from far and wide. It may not produce blood, but it is designed to challenge at each and every entry category. Several Club members took part in this year's event. On the 17km Men's Open, Steve Birkinshaw was 4th and Ian Cumpstey 9th. On the 12.6km M50+ course, Martin Skinner was 5th, Alan Irving 7th, Steve Breeze 19th and Colin Valentine 26th. On the 9.2 km W50+ course, Susan Skinner was 7th, and on the 6.2km Blue course, Scott Ashworth took 2nd. Well done everyone.
