

Whitehaven, Kells - 08/09/22

I am sure that you will all be pleased to know that Thursday night orienteering resumes this week in Whitehaven.

The Thursday events for the next few weeks tend to be in areas with easier running, terrain and navigation so they are perfect for novices, and those wanting to give orienteering a try for the first time. Please read the details on the website carefully as sometimes

due to the urban nature of the area there is a restriction on unaccompanied juniors running the long course. NB this week unaccompanied under-16s can only run the short course. Please take caution when entering the parking area.

Fellrunning Success

Fellrunning can provide a great training ground for orienteers and WCOC has (and has had) many talented fell runners in their ranks.

It was a busy week for some Club members who took to the fells in the races organised by the local agricultural shows.

Keswick Show -

On Bank Holiday Monday, this fell race took in Stile End and Barrow, and provided a tough challenge, especially on a very warm day. Niamh Hunter took it on for the first time and had a strong run to finish as 3rd lady.

Ennerdale Show -

Then on the following Wednesday Niamh was joined by Simon and Isaac to take on the race up and down Knock Murton, (a fell they all know well from regular Thursday night events). On this occasion Niamh took the win in the ladies' competition (Only 3 seconds off the record) and Isaac was second in the U17s race.

Loweswater Show -

Finally on Sunday the three of them took on the steep difficult ascent and descent of Dodd, and on this occasion they were all rewarded with a prize, Niamh first lady, Isaac first U17 and Simon 1st Vet 50.

<u>Peter Palmer Relays</u> - Wishing our WCOC junior teams the very best of luck in the Peter Palmer relay competition which takes place this weekend in Sutton Park near Birmingham. It is not the easiest event, with the first runners setting off in the dark but our juniors have shown that they are more

than a match for the challenge, having won it several times on previous occasions, including when it took place at Sutton Park in 2017 - a good omen perhaps!

And Finally - Calling on the Club juniors -

Many of our juniors have taken part in training camps over the Summer and a large contingent of Club members enjoyed a fantastic trip to Norway with the NWJS. It would be great to feature some stories/experiences from these adventures in the newsletter. Short reports with some photos would be great. Thank you.
