Another area that is a bit higher, and potentially more exposed than the areas used in the first few events so please ensure that you dress appropriately for the weather. Young, inexperienced orienteers should be accompanied. It is another ideal event for those new to orienteering or night orienteering. All details are on the

WCOC website under Events. Remember you will need a good headtorch. You can borrow dibbers by completing the request box on your entry.

CHRIMB-O 2022

Thank you to everyone who helped with the Whinlatter Crimb-O event on Saturday. There were two courses on offer, a 1.8km Short course and a double-sided 2.7km Long course. Control sites were decorated with tinsel and baubles to spread the festive cheer. Unfortunately, the grey, wet day meant that there were only small numbers of runners but everyone that took part confirmed that they had thoroughly enjoyed it! Everyone who completed a course was entered into the draw for a free 6ft Christmas tree, and the prize (which was independently drawn by a passing stranger) went to Catherine Wetherfield.
