Thur 22 April, Buttermere. Using a lovely bit of mature woodland near Buttermere Village and then the fellside on the side of Rannerdale Knotts. Details of the event on the club website. Planner, John Taylor, has planned something different for us. A promise of sight of the future of the sport!

Retro Events

Both Setmurthy and Lowther Park certainly taxed the mind and body. Was it really that tough all those years ago? The Lowther event was planned by one of the original juniors in the club, Alan Cranke, now with CLOK. Pete Nelson says, "We were generous, and gave you the latest OS map. We even enlarged it slightly – technology we didn't have in 1969. Control descriptions were hand written, as word processors weren't invented, and typewriters were uncommon. Wristwatch timing seemed to be fine, although rain and more competitors would have stretched us."The past behind us, now on to the future.

West Cumbria Schools' League

The event on Thursday at Netherhall School had 182 participants. Some great racing, and one or two of our younger juniors were participating. Perhaps a few more potential club members might be tempted to join.

Allerdale Bike Challenge

This is a series of five 2 hour score events around West Cumbria using electronic punching, with twenty five controls to locate. This year there is a link up with the club's summer series. Details of the competition (and rules etc) will be available on the club website.
