Night Event Series

Night orienteering is a great way of improving your navigation and map reading techniques. The early venues being used are relatively straightforward, making the learning process easier to handle. Give it a go.

Winter is almost here (gentle so far).....

Although still a mild outlook for the weather it won't be long before everything changes. Please be ready for the colder conditions. The night events start next week and it is advised that cagoules should be carried (perhaps in a bumbag), hat & gloves, along with a whistle, and a bivvy bag if you have one. Stay safe.

Club AGM

This Thursday 19th October is the 2017 AGM. Details of the venue (Zuccinis in Cockermouth) and format of the event can be found on the website. Let Lesley know if you are coming so she can book the food. If you would like to get involved with the running of the club please contact the chair, Graham Watson. New ideas are very welcome.
