### Beer Trail 2017/18.... NOW OPEN!

This is Pete & Barbara's 12<sup>th</sup> Beer Trail, and their last. Many thanks to Pete for his stirring efforts over the years, always providing a tough challenge with great route choices. Often the weather has an input, but memories from previous years are often of clear, bright but cold days.... and then an ice cold beer! Perhaps someone would like to take on the task for next year.

### Winter is here.....

The weather certainly has a winter flavour at the moment. Please be ready for the colder conditions. Access to events and running conditions can be challenging, and it is advised therefore that cagoules should be carried (perhaps in a bumbag), hat & gloves, along with a whistle, and a bivvy bag if you have one. Stay safe.

### 2018 membership.

Please remember to renew your membership for 2018. We look forward to your continued support, and hope that the programme of events continues to entice you out on to the fells and into the forests... in the sunshine of course!

**Twitter.** You can follow @WCOC2014

### Anniversary Year Quiz

The fifty clues for 'Tarns, Lakes, Waterfalls and Fells of Cumbria' will be published on the club website in January along with the answers.

If you have been working out the answers during the year and would like to send your solution **before the end of December** (reply to this EMAIL) you will be entered into the draw for prizes!

Thanks for having a go!
