Club gear

If you don't have one, it might be time to invest in one of the very attractive running tops. You can try on O tops etc (if you're not sure of sizing and fit) and find what suits

you best, and then buy. Check out the website for details of the 'fiftieth' design commemoration O-top. The new ones are available. Steve Holmes now holds the stock of kit. Details of how to contact him are on the website.... or see him at an event.
