#### Start of the Night Series

The 2018-19 Night Series starts in three weeks time.

The early part of the series, up to Xmas, always proves popular, with the areas used offering easy orienteering for those who wish to try navigating at night. It is great fun, particularly for youngsters, who can run in pairs or with a parent, or even solo if they wish.

The events require a good headtorch and suitable clothing and footwear. You know it is going to be wet and muddy (well, sometimes!), so come prepared. The easy course can usually be completed in half an hour. Come and enjoy!

#### SpookO at Whinlatter

The juniors will once again be involved with the SpookO this year, on Thursday 25<sup>th</sup> October. Adults are more than welcome to help create a 'spooky' control site. Reply to this EMAIL if you are interested. It's a great event for young families and usually attracts a couple of hundred people.
