Something to consider

At this time of year, each year, CompassSport magazine highlights various clubs' newsletters, and hand out awards to the top ten efforts of the previous year. It is quite a few years since WCOC had an active newsletter, and over the previous decades we had a series of excellent editors who produced really interesting publications.

Nationally there has been a move to digital productions and many clubs publish their newsletters online, as part of their club website. We are a very active club and I'm sure lots of members have stories to share. Is there anyone who would like to take on the role of editor and put together a digital version for the website?

Galoppen Results

With 84 club members taking part at Hawse End it was no surprise to find quite a few of them on the 'podium' in the various courses. Steve Birkinshaw was first on Brown. Joe Hudd was first on Blue, with Niamh Hunter third. On Green Charlie Rennie won, and Peter Hudd was second. Daniel Heppell was third on Orange. Ash Boothroyd won Yellow. Stuart Crawford was second on Short Green.

Hawse End Galoppen

Many thanks to Mike Harrison (planner), Dave Fenwick (controller) and Anne Burbidge (organiser) plus helpers from the White team. All the hard work was well rewarded with a great turnout of 273 runners. The junior squads from NW and YH plus Lakeland juniors boosted the numbers. In fact there were 103 juniors and 170 seniors on the day. We had to recycle a handful of maps as registration was kept busy for a long time. Everything else worked faultlessly, even with Derwentwater two foot higher after the recent rain. One competitor even found a small and deep marsh! With help he was extricated from its grip!
