

## Retro Event    Lowther Park    6 April 2017

Well done to all those who made the trip down to Lowther Park – one of our earliest venues. Fortunately we got good weather, which made everything much more pleasant. We were generous, and gave you the latest OS map. We even enlarged it slightly – technology we didn't have in 1969. Control descriptions were hand written, as word processors weren't invented, and typewriters were uncommon. Wristwatch timing seemed to be fine, although rain and more competitors would have stretched us. All cards came back legible – not just the dry weather, but a lot of learning from Bob's wet event last week meant some old techniques were resurrected.

Alan Cranke was one of our early Juniors (regulars were Alan, Roger Gray, Pete, and Sue Parkin (nee Banner)). We were pleased to have him as planner, and he made good use of the charms of Lowther Park. Thanks for coming all the way from the North East to plan and organise.

Bob Barnby and Jenny Wren provided most of the kit – thanks again.
